Volunteer Opportunities

"We need to get kids outdoors. As the number of fields and woods decrease it becomes harder for kids to just get lost in the woods, in a good way. We have to do all we can to encourage kids and adults to be outside and to be active."
- *Raymond Kettner*

Volunteers are the only human beings on the face of the earth who reflect this nation's compassion, unselfish caring, patience, and just plain love for one another.
- *Erma Brombeck*

"What I like most about volunteering is the more I give of my time, the more rewarding the experience becomes for me - I only wish I had more time to give"
- *Joe DiMisa*

“Volunteering for the CWPD is a great way to connect with the community. The kids, moms, dads, and grandparents are always so supportive. I think everyone, including me, goes home with a new appreciation for nature.”
- Vicki Williamson

Bluebird Box Monitoring

Monitor nest box usage by bluebirds and competing species.
Spring and Summer

Park Ambassador

Provide information and education about park policies, programs, and events while hiking the parks.

Volunteer Training

All volunteers will receive proper training and have the opportunity to “shadow” a naturalist or other experienced volunteer during a park program before they assist or lead any park program.

“I’m in my 60’s but working with the kids has kept me young-at-heart. So I guess that makes me about 15! The children have no preexisting expectations from you. They are in awe of all that is new to them.”
- Judith Keegans
