A Day at the Beach

School was out and brrr...it was cold outside but inside the Grant Nature Nook participants were having a beach party! Eleven children ages 7-9 years came out for *A Day at the Beach* and played beach bingo, made a fish craft out of old CD's, and played Sharks and Minnows. Kids sat on their beach towels while playing bingo and even made "sand castles" out of graham crackers, icing, and sugar cones. The program finished up with beach treats made from Jell-O and Swedish fish. The program was coordinated by Jen Brandt with help from volunteer, Lynn Skinner and is already being planned for next year.

The Centerville-Washington Park District was established in 1959 and currently operates seven community parks, seven nature parks, and 34 neighborhood parks in Centerville and Washington Township.
