2010

As you know summer is a great time to be in the parks enjoying the beautiful, sunny weather. It is also a time to find cool spots to hang out with your kids. The Sprayground at the Activity Center Park is the perfect place to do so.

2010 will be our fourth full season of operation at the Sprayground and we look forward to your group visiting our facility. The busiest time of day is from 11:30-2:30. Because of our daily attendance, we ask that groups plan their visits around these times. We are happy to host all of the area day cares and camps and welcome your attendance at the Activity Center. With the popularity of this park for casual use as well as groups, we feel it is important to have a handle on our daily numbers.

Throughout the summer we rent the shelter to numerous groups and individuals for picnics, birthdays and get-togethers. We limit all of our large group usage and rentals to 30 people. So you can imagine, when we have multiple reservations as well as casual use by individuals, the park can be quite busy. Your visit to the Sprayground does not include use of the shelter. There are areas in and around the park for groups to gather and picnic tables that are available for use. If you are interested in reserving the shelter for the use of your group you can contact us to do so.

In order to ensure that all visitors have a great time at the park, we are asking that you complete the enclosed request form (feel free to make copies for additional visits) for your group visits to the Activity Center Park. We will review your requested dates compared to our reservation calendar and confirm the date(s) or suggest a new date. Due to the large number of requests, we ask that you limit your number of visits during the summer to 3 and your time at the park to 3 hours.

If you have any questions or concerns, please do not hesitate to call 433-5155 or email us at mail@cwpd.org.

Sincerely,

The Centerville-Washington Park District
