

PARK RULES AND REGULATIONS

REVISED 2018

Centerville-Washington
PARK DISTRICT

Dear Park Visitors:

Welcome to the Centerville-Washington Park District! We hope you visit the parks often and enjoy the many benefits available in the great outdoors!

In order to protect the parks and ensure visitor safety, the Board of Park Commissioners has adopted the following Rules and Regulations. It should be noted that all State of Ohio criminal and traffic laws are also enforced within the parks, and carry full penalty under Ohio Law.

We hope you will take a few minutes to familiarize yourselves with these rules and regulations, so that you can share this information with others. Together, we can make the parks the best they can be.

If you witness anything that presents a threat to the parks, wildlife, or visitors, please call the Park District or local law enforcement agency immediately. We appreciate your help in keeping the parks safe and enjoyable for all people.

QUESTIONS & ANSWERS

Can we feed the ducks and geese?

Wild animals need a natural diet, and some foods like bread and crackers are a real health hazard for waterfowl. We don't want wildlife dependent upon people for food.

Please do not feed the animals! Chapter III, Section 3.a.

Can I take something home with me?

Please leave the parks as you find them – for the next visitor to enjoy. We ask that nothing be removed from the parks. Chapter III, Section 2.a.

If I catch a wild animal on my property can I release it in a park?

No. Moving animals from one area to another can introduce disease such as rabies or distemper to a new area. State law prohibits moving some animals from one place to another. Chapter III, Section 4.d.

Is it OK to dump yard waste in the parks?

Please don't! Grass clippings, brush, etc. may not be dumped on public parkland. Backyard composting is the best solution. If you see dumping of any kind in the parks, please call us immediately. Check with your local trash hauler for information on how to dispose of your yard waste. Chapter III, Section 4.a.

Are bicycles allowed on nature trails?

For safety reasons, nature trails are for foot traffic only. Vehicles of all kinds (including bicycles) are prohibited in order to protect visitors, trails, and vegetation. Paved multi-use trails are available in some parks for non-motorized vehicles such as bicycles, scooters, skates, etc. or power driven devices used for a mobility issue. Chapter II, Section 7.a.

Can I practice golf in the parks?

No. Balls left behind are “ankle-twisters” for other visitors, and balls hit by mowing equipment are very dangerous projectiles. Chapter II, Section 11

Is beer permitted?

All alcoholic beverages are prohibited in all park areas. Chapter IV, Section 3

Are pets permitted in the parks?

Yes, pets are invited to enjoy the parks, but must always be on a leash unless within a designated, fenced off-leash dog exercise area. Pet owners must clean up pet waste as a courtesy to other park visitors. Chapter II, Section 12

If you have other questions or need additional information, please call the Centerville-Washington Park District, (937) 433-5155. Thank you.

Where an application or permit has been denied because a fully executed prior application for the same time and place has been received, and a permit has been or will be granted to the prior applicant authorizing uses or activities which do not reasonably permit multiple occupancy of the particular area, the Park District shall propose an alternative place, if available for the same time, or an alternative time, if available for the same place.

To the extent permitted by law, the Park District may deny an application for permit if the applicant or the person on whose behalf the application for permit was made has on prior occasions made material misrepresentations regarding the nature or scope of an event or activity previously permitted or has violated the terms of prior permits issued to or on behalf of the applicant. The Park District may also deny an application for permit on any of the following grounds:

- (7) The use or activity intended by the applicant would conflict with previously planned programs organized and conducted by the Park District and previously scheduled for the same time and place;
- (8) The use or activity intended by the applicant would present an unreasonable danger to the health or safety of the applicant, or other users of the park, of Park District employees or of the public;

d. Any amendment or revision of an application or permit shall, for purposes of determining the priority of the application for permit, relate back to the original filing thereof; but the time in which the Park District shall grant or deny the application for permit and serve notice of such granting or denial shall be computed from the date of the amendment or revision.
