Subject: **Centerville-Washington Park District seeks community feedback**

CENTERVILLE, OH: The Centerville-Washington Park District is conducting a community-wide survey during the month of July. The survey results will be used to gauge residents' feedback on the park district's programs and amenities, helping them to better meet the needs of residents in the community.

“We are committed to providing the best park and recreation experience for our residents,” said Director Arnie Biondo. “It is our goal to find areas where we can invest to continue providing programs and amenities that encourage residents to explore their community’s big backyard.”

The Park District conducts small scale surveys and focus groups several times a year. Their last large scale community survey was conducted in the fall of 2016.

To share your thoughts, visit <http://www.cwpd.org> and take the survey. It takes approximately five minutes to complete. If you do not have access to the internet, you may visit Park District Headquarters at Activity Center Park, 221 N. Main Street for assistance. Office hours are Monday through Friday, 8 a.m. to 4:30 p.m.

The Centerville-Washington Park District operates eight community parks, nine nature parks, and 33 neighborhood parks encompassing more than 1,000 acres in Centerville and Washington Township.
