**Subject: Pollinators: Bees and Beyond**

**Honey Bee on Common Milkweed**

CENTERVILLE, OH: The blight of the honey bee has been widely documented, but there are many other pollinators out there. Learn more about different pollinators while learning how to make your yard pollinator friendly. This free lecture will be led by the Ohio State University Extension Montgomery County Master Gardener Sue Howorth at the Bill Yeck Park Smith House, 2230 E. Centerville Station Rd. on Wednesday, August 21 from 6:30 to 7:30 p.m. The group will take a short walk to the honey bee apiary located near the Smith House.

This program is appropriate for ages 16 and up. Preregistration is required by Monday, August 19 for this free program. Register online at [www.cwpd.org](http://www.cwpd.org) or call 937-433-5155.

*The Centerville-Washington Park District operates eight community parks, nine nature parks, and 33 neighborhood parks encompassing more than 1,000 acres in Centerville and*

*Washington Township. For more information about the Centerville-Washington Park District, please call (937) 433-5155 or visit [www.cwpd.org](http://www.cwpd.org).*
