

OFFICIAL RULES

Stamps must be collected on a Tools to Trek brochure. If you forget your brochure, collect stamps on a new one and cut them out to add to your original.

One prize per completed brochure.

Participants will receive a Trek Pack for their first set of 12 stamps. They may continue to turn in more completed brochures for additional prizes!

Stamps can only be collected in person at a participating program. If the program is self-guided, a code word will be provided and you will write it in a box. This will act as your stamp. If the program is canceled ahead of time due to weather or low enrollment, stamps will not be awarded.

Additional prizes will vary and are based on availability. Extra stamps for family members not in attendance will not be given.

Not all Centerville-Washington Park District programs are Tools to Trek eligible. Please check the quarterly newsletter or call the office at 937-433-5155 for a list of Tools to Trek programs.

TOOLS to TREK

The Tools to Trek program is administered by the Centerville-Washington Park District. If you have any questions, please contact us at 937-433-5155, mail@cwpd.org or via social media.
